Delock Cable USB 2.0 pin header female 1.25 mm 8 pin > 2 x USB 2.0 Type-A female panel-mount 25 cm

Description

This cable enables you to extend a USB 2.0 connection and can be used to connect various devices. The female port can be attached with two screws, e.g. to a slot bracket, a cable duct or an enclosure with the corresponding opening. This can be used to install an USB connector on an easily accessible position. The cable is most suitable for Intel NUC and self-designed computer systems.

Specification

- Connector:
